

2020 New Hire Orientation and Welcome
Tuesday, September 1, 2020
Virtual Session

Vision 2025

As the preeminent institute of contemporary music and the performing arts, Berklee will transform arts education and empower artists to better our world. Building an inclusive culture that promotes diversity in all its forms, we will nurture the growth of the world's most inspired artists in music, theater, and dance so they may fully realize their creative and career potential. Berklee will forge new connections among art forms, musical traditions, technologies, and institutions, creating a dynamic global network that fosters innovation, collaboration, and community.
